**Thank you** for your interest in the Colorado River Regional Crisis Shelter Volunteer Program. Volunteers are a vital and valuable part of our agency and enhance our ability to offer comprehensive services to survivors and victims of domestic violence and their children. In addition to the support they offer to our programs, volunteers send a strong message of caring to those we serve by letting them know they are not alone.

Our Volunteer Program offers a variety of individual and group opportunities. Additionally, we value our volunteer's time and make a commitment to provide every volunteer with options that provide flexibility to meet a variety of schedules.

Colorado River Regional Crisis Shelter seeks to provide excellence not only with regards to service delivery for the community we serve, but also for volunteer opportunities. That is why we ask volunteers to fill out a volunteer application. It not only allows us to identify your areas of interest so we can match you with the proper program or project, it also helps us ensure we are maintaining safety, security and confidentiality for those we serve. Please complete application and return it to the Volunteer Program Coordinator at:
